A school district in which a student enrolls may request student records from a school the student last attended with a parent signature of approval. See "Privacy Act," Section 438, Subsection (b)(1), Parts A & B, Page 97, as amended in 1976. 20 U.S.C. Sec. 1232g (b)(1)(A). The Family Educational Rights and Privacy Act (Buckley Amendment) dated June 1976, no longer requires parental consent to release student records between schools. This states that school officials may receive a student's records without written consent from parent/guardian for such release.
